

The LOI Bistro is located downtown in the pulse of Zurich's contemporary Art Centre Löwenbräukunst. We serve vegetarian and vegan dishes. Inspired by the seasonally changing offer of our partners we love to try new creations.

The dishes on our menu are fresh, surprising and prepared with a passion for small details. We buy and use organic products wherever possible.

Our current lunch offer can be found on the separate menu, our Afternoon Snacks on the boards inside the Bistro. If you have any questions, our LOI crew will be happy to help you.
